Tianjie Zhang

Education

Emory University Atlanta, U.S.
Master of Science in Public Health, Biostatistics (GPA: 3.8/4.0) 2026.05
Xi'an Jiaotong-Liverpool University Suzhou, China
Bachelor of Management, International Business and Spanish (Upper Second-Class Honours) 2023.07

Professional & Research Experience

Alibaba Group | Business Analytics Intern 2023.05 - 2023.07

- **Market Insight:** Applied **AARRR** funnel to diagnose Taobao conversion bottlenecks. Utilized **PEST** to evaluate the 100B-RMB small appliance market, identifying vertical commercial opportunities.
- **Dashboards & Reporting:** Consolidated data/metrics for **Top 3** competitors (Taobao/JD/Pinduoduo). Built 10+ dimension Excel dashboards (channels/demographics). Authored **40+** page industry report with management-approved strategic recommendations.

Regression Analysis of US Labor Wage Structure | Data Science Project 2024.09 - 2024.12

- **Advanced Modeling & Optimization:** Established a baseline linear regression and developed an optimized Generalized Additive Model (**GAM**) using **R** (mgcv) with penalized splines to improve residual distribution, achieving a **29.6%** deviance explained.
- **Quantitative Insight & Validation:** Quantified the "inverted **U-shaped**" relationship between salary and age, identifying a peak at approximately 45 years old and validating education as the primary driver for labor market assessments.

Patient Record Database & Business Analysis | Data Science Project 2025.11 - 2025.12

- **Database Design:** Built 5 core tables from scratch (**MySQL DDL**) compliant with 3NF, ensuring integrity for 76,000 records. Wrote SQL scripts (JOINs/CASE) for multidimensional data cleaning.
- **Business Insights:** Integrated SQL queries into **Power BI** for interactive cost-monitoring dashboards. Visualized high-frequency patient groups and seasonal demand peaks, proposing resource allocation strategies.

Leadership & Cross-Cultural Experience

Buddy Program, Xi'an Jiaotong-Liverpool University | Head of Coordination 2020.09 - 2021.05

- **Project Management & Gamification:** Directed budget and resource allocation. Spearheaded gamified "Campus Badge" operations for freshmen. Built private domain reach via email/WeChat, covering **4,400+** students with **800+** registrations. Implemented offline check-ins, achieving **45%+** interaction conversion.
- **Retention & Acquisition:** Organized campaigns and networking events, significantly boosting long-term user retention. Led team in offline high school presentations, completing the acquisition-to-activation closed loop.

Latin America Immersion & Field Exploration | Overseas Experience 2025.11 - 2026.02

- **Cross-Cultural Communication:** Completed 8-week Spanish immersion in Central America & field explorations in South America. Achieved **CEFR B1**, gaining strong localized business negotiation and cross-lingual communication skills.
- **Emerging Market Insights:** Navigated diverse cultural environments to analyze grass-root commercial ecosystems. Demonstrated exceptional crisis-solving and independent survival skills, establishing a moat for overseas business expansion.

Skills & Tools

- **Languages & Tech:** English (Proficient, TOEFL 100), Spanish (CEFR B1); SQL (JOINs/Aggregation), R, Python, SAS (Former Emory Teaching Assistant)
- **Business Tools:** Power BI (Dashboards), ArcGIS Pro, Advanced Excel/PowerPoint/Word
